Drug Abuse Day: -Drug Abuse and Illicit Trafficking

26th June is observed as drug abuse and illicit trafficking day. The teenage years are a time for experimentation and push towards independence. It is also a time when the brain goes through an intense growth and brain cells are dying, growing, and connecting. Mix these two drives together and the effects can easily turn a young teen looking for independence and experimentation into a drug or alcohol addict. To spread awareness to the NSS volunteers a class was held by Mr Saji P. Narcotics civil excise officer on 27th June 2017. It was a very interesting and interactive class.

Skip a Meal

NSS volunteers of Saintgits college of Applied Science had organised a programme called "Skip a Meal" on 17th October 2017, where they served one-time meal to the homeless people who have been staying in the road sides. 17th October is celebrated as the National Poverty Day throughout the world. On this day, our volunteers prepared food from home for about 50 people. There were vegetarian and non-vegetarian meals which consist of rice, veg & non-veg curries. It also included snacks such as spring rolls, cutlets, bread, fruits etc. The volunteers say they feel honoured and blessed for being able to serve in this way. They also understand the value of giving and of reaching out to those in need. They got an opportunity to acknowledge the effort and struggle of people living in poverty.
