The specific deficiencies for not granting the other proposed increase / variation in intake / additional courses to the institution are mentioned below:

1. Only two PG courses are allowed in an Academic year as a policy.

Note: * The approval for additional course(s) / increase in intake / variation in intake is valid for two years from the date of issue of this letter for getting affiliation with respective university and fulfilling State Government requirements of admission.

The additional intake is being granted based on the projections shown in the Detailed Project Report regarding additional built up space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built area and appointment of faculty should be made available before the commencement of the next academic session. Random surprise inspection would be carried out to verify facilities and if the Institute is found deficient in fulfillment of norms & standards of AICTE, appropriate action would be initiated by the Council.

Please note that other terms & conditions in the earlier letter of even no dated 02.05.2008 will remain unchanged.

Yours faithfully,

(Harish C. Rai)
Adviser- UG/PG (E&T)
