SAINTGITS College of Engineering has six hostels including two International Hostels, one each for ladies and gents completely controlled by the college authorities. Ladies hostels are located inside the college campus and gents' hostels are located in a walkable distance from the campus. Each hostel is assigned with resident wardens and faculty wardens for monitoring the academic activities as well as addressing the issues related to hostel on the spot. The college hostels have all the facilities including hygienic food at nominal rates, Wi-Fi connectivity and various recreational and indoor sports facilities as well. The hostel rent will be collected before July 15 of every year and the mess bill will be collected on a monthly basis. Security is available in the hostel premises, round the clock, for the safety of inmates. Separate hostel and mess committee consisting of deputy chief warden, associate deputy chief warden,

resident wardens, faculty wardens and student representatives is arranged every month to collect the feedback about the functioning of the mess and hostel. The feedback is addressed immediately after the hostel and mess meeting.
