CODE QUEST 2024 RULES

1. TEAM FORMATION :

Teams can consist of a maximum of 2 members. Team members must be specified at the time of registration.

2. ONLINE ROUNDS :

The first two rounds will be conducted online. Participants must ensure a stable internet connection.

3. PARTICIPATION :

Only one member from each team should participate in the first and second rounds.

4. ROUND 1 :

After the first round, the top 50 teams will be selected to proceed to the next round.

5. ROUND 2 :

Participation: In Round 2, participants must turn on their webcams for the duration of the round.

Selection: After the second round, the top 10 teams will be selected to proceed to the final round

6. JUDGES' DECISION:

The decisions of the judges will be final and binding.

7. ELIGIBILITY :

Interested participants from all departments are eligible to register for the competition

8. FAIR PLAY :

Participants are strictly prohibited from searching the web or using generative AI for answers during any of the rounds. Any form of malpractice will result in the disqualification of the team.
