

Round 1 Guidelines for CodeQuest 2024

- This round consists of 30 multiple-choice questions. You will have 20 minutes to complete the quiz, after which it will automatically end.
- Answering as many questions as possible within the provided time is crucial for your score. Participants will be ranked based on their score, with the top 50 advancing to the next round.
- An online session will be organized for everyone to familiarize themselves with the quiz platform. This session will cover everything from signing up to joining the quiz.
- Before starting the quiz, please ensure you are using the SAINTGITS email ID that was used during the registration on Google Forms. If you have any doubts, feel free to DM me.
- All participants must provide their full name when starting the quiz.
- Each participant must adhere to the guidelines provided in the brochure. Non-compliance will result in immediate disqualification of the individual or group.
- Each participant can attempt the quiz only once. Ensure a stable internet connection throughout this round. Refreshing the page or changing avatars/themes once the quiz has started might lead to automatic disconnection from the quiz.
- The decision of judges will be final.
- Rules are subject to change, and any updates will be announced before the competition starts.
- **Note for Group Participations:** Only one participant from each group may participate in this round. If both participants are found doing the quiz individually, the group will be disqualified. However, you may discuss with your respective teammates through your preferred means of communication.

P.S. If you have any queries or doubts, feel free to DM me or any other admins in this WhatsApp group.
