

>>> ALUMNI NEWS LETTER DEPARTMENT OF CIVIL ENGINEERING

ALUMNI TALKS 2025

Chronicles of where we started and where we are today.
Celebrating the journey of our alumni and the ever-
evolving spirit of our Mighty Civil Family

>>> VISION OF THE DEPARTMENT

Emerge as a centre of excellence in Civil Engineering education and research by fostering innovation, inclusivity and upholding the highest standards of quality, integrity and responsibility for building a sustainable and progressive world.

>>> PROGRAMME EDUCATIONAL OBJECTIVES - PEOS

- Graduates will tackle real world challenges and meet industry standards by demonstrating mastery in technical knowledge and skills essential for civil engineering practice
- Graduates will drive innovation by conducting research and implementing sustainable engineering practices, contributing to advancements in infrastructure development
- Graduates will lead multidisciplinary projects and initiatives with entrepreneurial expertise, embrace lifelong learning, and adapt to evolving industry trends

>>> MISSION OF THE DEPARTMENT

- To create a vibrant ecosystem, that emphasises high-quality education, fosters research and innovation, and promotes lifelong learning
- To mould responsible civil engineers, with ethical values, essential industry skills and commitment to sustainable infrastructure development
- To develop entrepreneurial skills, leadership qualities, and the ability to succeed in a multidisciplinary environment

>>> PROGRAMME SPECIFIC OUTCOMES - PSOS

- Plan, analyze and design civil engineering projects using modern tools and innovative techniques incorporating sustainable and ethical solutions
- Execute precise quantity estimation methods, enforce rigorous quality assurance and control practices, implement financial control measures, and pioneer entrepreneurial initiatives in civil engineering projects
- Conduct research and develop innovative processes that address societal needs utilizing technical skills and engineering knowledge in structural, geotechnical, environmental, transportation and water resources engineering

DR. SUSAN ROSE,
HOD CE

FROM THE HOD'S DESK

Dear Alumni, Warm greetings from the Department of Civil Engineering!

Since its inception, the department has consistently pursued academic excellence, cutting-edge research, and meaningful industry collaborations. Our commitment is not only to impart strong technical knowledge but also to nurture leadership, ethics, and social responsibility among our students. Professional bodies such as ISTE, ICI, IEI, and ACES play a vital role in fostering teamwork and professional values within the student community. We are proud to have cultivated a vibrant academic environment enriched by the active participation of these associations. The department also functions as a premier civil engineering consultancy, providing expert services to prestigious clients including Indian Railways, Kerala PWD, Cochin Metro, and KSEB. These collaborations bridge the gap between theory and practice, offering our students valuable exposure to real-world challenges.

As we continue to grow, we warmly invite you to support our students through internship opportunities, job referrals, mentoring, or mock interview assistance. Your involvement can make a lasting difference in their professional journey. We look forward to staying connected and celebrating your continued success.

ALUMNI SPOTLIGHT

Shameer A.I.

Project Engineer,
KSIDC
Batch of 2011

Shameer A.I., a proud alumnus of our 2011 B.Tech batch, currently serves as a Project Engineer at Kerala State Industrial Development Corporation (KSIDC). In his role, he contributes to the planning and execution of key infrastructure and industrial projects across Kerala.

During his college days, Shameer was known for his technical strength and active involvement in departmental initiatives. He credits the department's focus on practical learning and professional values for shaping his career.

Febin T. Zacharia

Co-founder & CBO,
The Burn Company
Batch of 2021- PG SECM

From leading the Mix Design team of Kerala's first-ever concrete canoe – Jatayu during his student days, to co-founding a purpose-driven fitness startup, Febin's journey is a testament to bold pivots and creative reinvention.

Today, he serves as the Co-founder & Chief Business Officer of The Burn Company, a unique fitness vacation brand helping people unplug from sedentary urban life through nature-integrated bootcamps.

ALUMNI ACHIEVEMENT

Congratulations to **Ansu Anna Babu** of 2023 Batch on being awarded the 2025 University of Auckland India High Achievers Scholarship for the Semester Two intake! This prestigious scholarship, valued at \$20,000, is a testament to her outstanding academic performance and dedication. We are proud of her achievement and wish her continued success in her academic journey abroad.

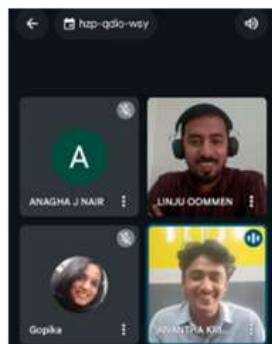

Akhil Surendran of 2022 Batch has been selected as one of just five members of the Young Member's Group of The Institution of Structural Engineers (IStructE), UAE region. As part of this prestigious regional initiative, Akhil and his team will visit universities across Dubai to introduce and promote structural engineering to high school and undergraduate students. Congratulations Akhil.

ALUMNI CARE

Team ASCE Saintgits had the honour of representing India at the prestigious ASCE Society Global Student Event held in the USA. This achievement was made possible in part by the generous support of four alumni—**Mr. Sanjay Jayakumar** (2020 batch), **Mr. Abhishek Kurian**, **Mr. Ajmal Muhamed Najeel**, and **Mr. Albin Viju** (2021 batch)—who collectively contributed ₹65,000 towards the team's travel. We sincerely thank them for their invaluable support in strengthening the Saintgits Civil bond beyond borders.

We extend our heartfelt thanks to our distinguished alumni – **Mr. Arif Mohammed** and **Ms. Sweets Francis** of the 2009 batch, **Mr. Shyam Raj G**, Senior Quantity Surveyor and Cost Manager at Arif & Bintoak, Dubai, UAE, and **Mr. Linju Oommen Jacob**, Senior Quantity Surveyor at Unique Project Solution, both from the 2013 batch, **Mr. Anzar Hussain**, Project Engineer (Civil) at Nael General Contracting LLC, Al Ain, UAE, from the 2017 batch, and **Ms. Amrutha Narendran Nair**, Customer Service Associate at Federal Bank, of the 2021 batch, for conducting valuable mock interview sessions for the 2024 and 2025 batches. Their feedback & real-world perspectives provided our students with an excellent opportunity to align with industry expectations and sharpen their interview skills.

➤➤➤ BACK ON CAMPUS: WHAT'S THE NEWS?

7 Out of 8 – Team **ASCE Saintgits**
Dominating the ASCE India Region Symposium at Mumbai

Team ASCE Saintgits had the honour of representing India at the prestigious ASCE Society Global Student Event held in the USA. Their participation marked a proud moment for the department, showcasing the technical excellence, leadership, and global competence nurtured at Saintgits.

Team **ASCE Saintgits** Represented INDIA at
ASCE Society Global Event at the USA

PLACED WITH PRIDE:
The Class of 2025 Shines Bright

This year, 22 students secured placements in various core companies, marking a strong industry connect and academic excellence. Their success reflects our department's continued focus on practical training, professional readiness, and strong recruiter relationships.

Ms Dyna Chacko, Mr. Jithin Joseph Loveson and Mr. Manu M Kumar of B.Tech 2025 batch got the **ARMSTECH** scholarship

Ms. Dyna Chacko

Mr. Jithin Joseph Loveson

Mr. Manu M Kumar

We are proud to announce that the ICI Student Chapter of the Civil Engineering Department has been awarded the **Best Chapter Award under ICI-Kochi Centre**.

A special note of appreciation to the Faculty Coordinator, **Er. Reshma Kassim**, and Student Coordinators – **Ms. Adithya T Nair, Mr. Jithin Joseph Loveson, Mr. Mervin Mathew Shibu, and Mr. Arshal Salim** – for their exceptional efforts and dedication in achieving this recognition.

STAY CONNECTED, STAY INVOLVED –
JOIN THE CIVIL ALUMNI NETWORK

We are excited to reconnect and strengthen our alumni network! We warmly invite you to:
Follow our official Instagram page to stay updated on departmental highlights, student achievements, and alumni contributions. Join our exclusive WhatsApp community to engage, mentor, and collaborate with fellow alumni and students:
Your presence and support mean a lot to us, and we look forward to having you with us in this growing community.
